

How to *Use:*

Hair Cream:

- Rub a small amount between your palms.
- Work into damp or dry hair.
- Use frequently on dry or breaking hair.
- Ideal for braids, twists, blow-dry, wash & go, or any style.

Hair & Scalp Oil:

- Apply a small amount to the scalp and gently massage.
- Use on wet or dry hair, focusing on the ends.
- Use as often as needed for strong, healthy hair.

Fractionated Coconut Oil:

- For scalp: Apply a small amount and massage gently.
- For hair: Apply to wet or dry hair, focusing on ends.
- Can be washed off or left in for extended nourishment.

Shampoo:

- Apply a small amount to wet hair and lather.
- Gently scrub the scalp to cleanse.
- Rinse thoroughly.
- Follow with Maleina Softening & Detangling Conditioner

Softening & Detangling Conditioner:

- After shampooing, apply generously to sectioned hair.
- Work through from tips to roots while detangling.
- Rinse out with lukewarm water.

Hair Food:

- Take a small amount of product.
- Apply directly to edges or strands as needed.
- Use on either damp or dry hair.
- Style as desired, ideal for braids, sleek styles, twist-outs, or taming flyaways.
